

Amendments to the Drawings:

Please replace Sheets 1/3, 2/3 and 3/3 of the Original Figures with new Sheets 1/3, 2/3, and 3/3 attached hereto. Figures 1A, 1B, 2, 3A and 3B on Sheets 1/3, 2/3 and 3/3, respectively, have been amended. Proposed amendments to Figures 1A, 1B, 2, 3A and 3B on the Annotated Sheets 1/3, 2/3 and 3/3 are shown on a marked version of Figures 1A, 1B, 2, 3A and 3B also attached hereto.

In Figure 1A, the gray shading of element 101 and 104 is replaced with crosshatching, the element of 103 is filled with crosshatching, and the bonding elements 102 and 102' is filed with the fill pattern for an adhesive or other bonding material.

In Figure 1B, the micro pillars shown a element 22 is modified to show a micro pillar in the shape of a micro-pin.

In Figure 2, the gray fill of 201 and 204 are replaced with a crosshatch pattern, the elements 203 and 205 are filled with crosshatch, and bonding elements 202 and 202' are filled with a fill pattern for an adhesive or other bonding material.

In figure 3A, the gray shading of 302, 302', 303, and 303' was removed. Hatching was added to originally labeled element 301. The numbering of the elements of 3A were renumbered to in the match the numbering of figure 3B in that 3A represents a top view of 3B. Element 301 is changed to 302. Element 302 and 302' is changed to 304 and 304'. Element 303 and 303' is changed to 305 and 305'.

In figure 3B, the gray shading of 301 was removed. The reference number 310 was changed to 300 to correspond with the fact that Figure 3B represents a profile view of Figure 3A. The gray shading of 302 was removed and replaced with hatch marks. The gray shading of figure 301 was removed.
